Assessor Comments	A terrific draft of heifers in which there is 93 in the draft and were weighed between 340-474kg. These heifers have plenty of breeding in them and will feed on either in a feedlot or on grass to heavier weights really well or could suit a re-stocker looking for females. Grass fed and antibiotic free. Please note there are 292 steers and heifers offered in todays sale off "Barkala Park".
