Assessor Comments	Offering a well bred line of 3/4 beef vendor bred Speckle Park x heifers. Naturally sired by Speckle bulls out of Angus/Friesian cows. With a full health treatment history these heifers will thrive given the opportunity, with previous years heifers retained by the vendor & fattened for the hook. Please note other sisters and steers of same vendors also in this sale. Heifers showing signs of the changing season, with a few rubbing due to coats changing.
