Assessor Comments	High quality Hereford heifer's surplus to the Cheers family requirements. Heifers are up to date with all their animal health. Only the best of bulls have been used in this herd. Brothers of these bulls have sold for over \$22,000 at auction. Pleasure to handle in the yards and crush. Herd is extremely quiet to handle resulting in quality feed conversions and performance. Cattle are normally featured in the top prices for all breeds through the Wagga Saleyards. Heifers are exceptionally well bred and can either be purchased as future breeders or trader cattle. Cattle that are specifically bred for performance and temperament. Highly recommended. Please note the complete drop of Steers are also in the same sale.
