Assessor Comments	High quality bred Hereford Steers ready to background. Complete drop of steers with all their animal health treatments up to date. Steers are well known for their performance. Only the best of bulls have been used in this herd. Brothers of these bulls have sold for over \$22,000 at auction. Pleasure to handle in the yards and crush. Herd is extremely quiet to handle resulting in quality feed conversions and performance. Cattle are normally featured in the top prices for all breeds through the Wagga Saleyards. Cattle that are specifically bred for performance and temperament. Highly recommended. Please note the heifers are in the same sale.
