Assessor Comments	Cadell Pastoral are offering 72 mixed sex Red Angus weaners. These are Pure Red Angus. That are all sired by Registered bull Goondoola "Paramount PSPP04". This particular draft of steers would be an ideal line to take into a feedlot situation for domestic program, alternatively they are well suited to perform on grass and from previous experience they are likely to be killable at multiple stages of growth. Cadell Pastoral have been breeding Red Angus for 8 years, originally in Tasmania before transitioning to Dhurringile. One of the main attributes that drew them towards Red Angus was temperament and positive growth. These calves have been weaned up properly and appear to have handled it very well. They present with good shape and muscle yet with plenty of scope, Having come from large frame cows. Really good carcass calves.
