Assessor Comments	16 very good well bred Angus steers to be offered as run out the gate (part of the first draft of 47). These steers are bred to perform and have very good stretch and frame , with plenty of shape. These steers are currently gaining 1.95kgs a day and with spring here they should grow rapidly. They should grow out to make heavy trade or bullock weights. A great opportunity to secure a B double load off one farm. Outstanding temperament. The vendor has 5 other lots in auction. Greenham Never ever accredited, JBS FARM ASSURED, electric fence trained.
