	Outstanding temperament, these steers were very good to handle throughout drafting and weighing. The vendors have a big focus on temperament.

Assessor Comments	17 very good Angus steers, showing plenty of stretch and style. They have plenty of frame and will stack on weight quickly. These steers are currently gaining 1.95kgs a day and will continue to go forward in the coming months. With the right			

conditions these steers should make heavy trade or bullock weights. Very well bred, outstanding temperament. A great opportunity to secure a B Double load off one farm. The vendor has 5 other lots in auction. Greenham never ever accredited, JBS Farm assured, electric fence trained. offered as run out the gate (part of second draft of 51).
