| Assessor Comments                     | Presenting a well put together draft of hereford steers. Steers that show great growth for age with length of body cover and type. These steers have been given the opportunity to grow frame and are now starting to pack the weight on . Given the feed opportunity they should continue to grow into heavy trade or bullock weights.                                                      |
