| Assessor Comments      | A good draft of "Triangle Marsh" bred Angus heifers, good healthy store condition with moderate frames and good types. Born and raised in the Central Highlands, they come through the winter well and look to be going ahead. Vendors have followed good health programs to set them up to go on. Grass fed only, Antibiotic free                                                           |                                           |                |
