Assessor Comments	Glenurra Trust and the Dunstan family are offering their annual draft of excess ewes. 125 predominantly 2.5-year-old ewes presenting in score 2 condition and averaging approximately. 40kgs. Six-month shearing is easily achieved with these ewes having a sire team average for Yearling Staple Length of 24.23. Ewe lambs and hoggets have had a hard time over the past 12 months, but show reliance. With feed, they've responded well and will continue to do so. Opportunity to affordably secure ewes with high genetic merit for excellent, highly fertile, carcass merit ewes with true 6-month shearing wool type. Vendors are also offering 95, 21 and 20 drop ewes.			
Assessor	Nick van den Berg (Level 2 Accredited)
