| Assessor Comments            | A neat little line of mixed ages ewes that have done very well for the season. These ewes are out of Karawatha park stud. Ewes will throw a quick growing lamb & cut you a white heavy long staple fleece. KP stud has been non mulesed for 6 years. KP are known for long white staple wools, quick growing lambs & having high fertility ewes.                                             |
