Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.			
Assessor Comments	Vendor purchased these Ewes locally with intention to mate up and lamb down. Due to season, has forced a change in decisions which opens up opportunity. Ewes are well renown for their plain easy-care frame and style, excelling in fertility - 140% regularly from their original flock. Ewes will grow into large frame and have a fantastic start in the jacket for someone to capitalise on in the current positive wool market.
