| Assessor Comments                     | <p>Buyers a great opportunity to purchase a line of EU Angus Heifers. The Knowla herd have well over 30 years of breeding behind them. These young heifers represent some of the bloodlines that have recently been used both in the stud and commercial herds, and would suit a buyer looking to start a quality herd of Angus females or could be a great asset to any existing commercial herd. This is the second draft of the older age heifers, they are extremely nice soft heifers showing good bone and weight for age putting them in the ideal condition for your upcoming joining season. Sires include Knowla Revolution R190, Knowla Sonic S184, Knowla Montana M13, Dulverton Smart Missile S68, Millah Murrah Thirsty T59, JRGV So Special S191, Hoover About It, Ben Nevis Strikeforce S008, Lawson's Rocky R4010, and Knowla Rockefeller R108</p> |
