Assessor Comments	Chesney Pastoral 2nd X Store Suckers, 624 in total to be offered in 3 lots of 208 run out the gate, Suckers are June/ August drop sired by Mount Bathurst and Windy Hill Poll Dorset Rams, Suckers are noted performers on grass or grain and will grow out to very good heavy trade or take out to heavy export lambs. Suckers have been weaned for 3 weeks so will only go forward from now onwards and are already showing good length and shape, 100% of suckers have been weighed out 38kg-46kg so buyers can bid with confidence, These lambs are always sold as store lambs and have had great repeat clientele with excellent feedback performing on both grass and grain. Certainly an opportunity not to be missed!!! PLEASE NOTE: There is a small percentage of suckers with light photosynthesis damage to their back and an odd lamb with most of an ear missing due to photosynthesis.
