| Assessor Comments                     | Offering a Bdouble load of store lambs that are perfectly positioned for quick weight gains going forward. All lambs are fresh, well weaned and run extremely well at assessment. Lambs are bred by a very productive Primeline flock and have been purchasing top grade Primeline rams off Lambpro for the last 5 years. These lambs really do show the results of that strong genetic background and will perform well. |            |                      |             |
