Vendor Comments	Selling as normal turnoff.		
Assessor Comments	A good quality line of 416 Dorper wether lambs are on offer. Lambs are 6 - 9 months of age and have been born and raised in western Queensland where the feed is dry. Lambs will power ahead on good feed or in a feedlot environment. A great line of lambs that will not take long to get to desired kill weights. One lamb noticed with dermatitis on ears and back. Weight range of 29 to 58kg with an average of 39 kg after an 18 hour curfew.
