Assessor Comments	Offering 850 Weaned XB Suckers over two lots off Bongongo in this sale with this lot representing 370 of the 2nd X Poll Dorset/Composite & 2nd X White Suffolk/Composite suckers bred out of Double Barrel composite ewes with volume. Lambs that carry an excellent history of being proven performers and given the opportunity will exit as heavy kill lambs. Tail removed at assessment and note suckers have been imprinted to grain whilst running on their mothers. Lambs present in predominantly 2 score condition with plenty of length, bone and butt profile and have a proven track record, with past buyers giving excellent feedback on their performance.
