Assessor Comments	The second draft of 560 Merino wether sucker lambs. A great opportunity to purchase a large run of well renowned "Tottington" Merino Wether lambs. These lambs have had everything done to them. Out of high indexing Willera and Mumblebone rams estimated to cut 16 micron. Tottington consistently grow high quality fine bright white wool. Buyers are able to buy these wethers with confidence. The vendor is happy to backline at their cost with StrikForce-S (Clik) so sheep can be turned strait out off the truck
