Assessor Comments	On offer is 320 lambs 33kg-48kg Av41.3kg. white Suffolk composite cross. These lambs are only being sold as the property has now been sold. Normally lambs are retained and grown into heavy trade lambs. Since weaning, they have been on improved pastures of clovers and grasses and have done extremely well. Shear them and given good feed these lambs will grow into heavy weights. All Lambs have been cruched had a B-12 Drench. Don't miss this chance to get your hands on a run of very good store lambs with genetics to back them.
