Assessor Comments	A very good quality line of 1st cross, wether lambs. Sired by the auction grade New Armatree Border Leister rams, out of large framed, classed Kerin Poll blood Merino ewes, these lambs are exhibiting considerable length and volume for their age. The lambs are retaining some freshness in the skin, and will be weaned on delivery. They are the wether portion, as dropped, with a small tail removed and given the right opportunity, should go on to provide very good trade or export lamb opportunities. The ewe portion of these lambs are also available in this sale.
