Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
	Quality Grades Very Good 100%			
Notable Traits	Traits 1 Head Broken skin			
Assessor Comments	Presenting top of the drop of 2nd X Suckers by Valley Vista Poll Dorset out of Bundilla/Bauer Retallack 1st X Ewes. All lambs were individually weighed, averaging 37.5kg liveweight at assessment, with all lambs <30kg retained by the vendor. Lambs were weaned at the time of assessment, to allow for this, an increased curfew has been applied to weights. A well-bred run of suckers with plenty of potential to finish to all markets given the opportunity. Note the vendor also has 440 shorn lambs in this sale from the same property.
