Vaccinates

Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	A very good quality line of performance bred lambs out of productive bundilla and Richmond merino ewes by high indexing lambpro poll dorset rams. Lambs have been weaned drenched and vaccinated ready to go. These lambs have been drafted with a large tail removed and are a very even line of feeder lambs. Lambs are in a fresh forward store condition and are on the do displaying good shape and growth. WEC 0 EPG 7th Nov
