Normally retained until 18 months old to feature in the Bendigo Blue Ribbon first x sale. With a reputation for presenting as large frame, heavy sheep, these ewe lambs offer an opportunity to obtain 200 future breeder ewe lambs with the genetics to guarantee they will mature into colossal breeding ewes, capable of breeding terminal lambs to reach export slaughter weights. Sired by Black Gate rams, and bred from large plain bodied merino ewes sourced from the Mid North of SA, and the Riverina NSW. These ewe lambs average 53 kg at assessment, they are multiple recipients of Glanvac 6 in 1 B12, as well as Gudair vaccines.
