Assessor Comments	On offer is a 4 deck load of wooly crossbred suckers that are looking to finish very well with as good of a start as a buyer could look for. Bred from high indexing Ella Matta White Suffolk and Stokes Bay Genetics Dorset Rams, these lambs have been well managed since birth, receiving the relevant health treatments and consistent pasture rotations to be grazing on fresh Clover and Rye Grass. Do not miss out on these very fresh young lambs as they present true value for their impending purchaser.
