Assessor Comments	On offer is 580 exceptional shorn lambs. Weight for age, bone, length of body, shape & fat cover are all evident. The lambs are sired by Taljar Polwarth rams. These lambs are only a July/August Drop they have averaged 37.7kg at assessment curfewed. Given a late start to the season these lambs have come through extremely well. They are neat and have the potential to grow into quality trade or export weights. With outstanding forward contracts out into the later year and new year these lambs should be bought with confidence.
