Assessor Comments	Outstanding opportunity to purchase a quality line of classed 6-year-old Merino Ewes, bred from the famous ROYALLA MERINO Stud. This is a genuine total flock dispersal including the EX-stud ewes, (Property to be sold) making up 7 lots of age groups. The Royalla flock was founded mainly on Koonwarra and Merryville bloodlines and daughter studs. These commercial ewes are large framed, big stylish females carrying a 18-18.5 mic* soft handling free growing fleeces. Known for their fertility, wool cut, growth and size. They are carrying a 50-60mm May shorn skin, and present in forward to fat condition. These ewes were not joined in 2025 by the vendor last year due to health and personal circumstances. The flock has been classed by vendor Winstone McDonald over the past 70 years and represents an outstanding rare opportunity to purchase classed in breeders of this quality.
