Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	A smart line of proven primeline breeding ewes. These ewes were purchased as all multiple pregnancies in their mothers from Lake McLaren Farming from Streatham Vic. These ewes have bred excellent terminal trade lambs & replacement ewes for the vendor. Only being sold off to make way for more younger ewes to be retained. All these ewes have been scanned in lamb every year. These mature ewes have plenty of time left to breed a volume of lambs for the successful purchaser.
