Assessor Comments	THIS LINE IS RUN OUT THE GATE (308) HALF OF THE 616 IN AGE GROUP, Large framed ewes in strong foward condition. Mt. Beevor has made the very hard decision to transition to an all cattle enterprise. Hence, all their breeding ewes will be offered in this Auctions Plus , in their separate age groups. They will range from 2024 drop ewe hoggets up to 5.5 years. Mt. Beevor has been on Dalveen bloodlines since 2020, when they began to rebuild their flock after the devastating bushfire. They have always selected their rams out of the top end of the Dalveen ram sales each year, with very strong emphasis on wool quality. This sale will see three generations of astute sheep breeding come to an end.
