Assessor Comments	Great opportunity to buy large frame, classed in ewes that are in the prime of their breeding life. Ideal ewes to breed XB lambs from or would be quality ewes to top up numbers in a Merino flock also. These ewes present in forward condition and are ready to join to rams of your choice. Pure Bradfield blood with quality sires purchased over the years. Ewes are good wool cutters - vendors ewes usually cut 7.5 kg at 20 - 21 micron as a guide.
