Assessor Comments	Outstanding quality line of NSM 2021 drop merino ewes. Ewes present in ideal joining condition and are a direct result of years of fastidious breeding. Classed annually by Michael Elmes they are even and show excellent quality wool attributes. This line pure Grogansworth blood. Vendor is a passionate merino breeder who has had excellent results through his breeding program via fertility, wool quality and growth in his progeny. Excellent opportunity to acquire genuine young females of mainly larger frame. Ewes stand in healthy mainly forward condition. Vendor Scans annually with drys always removed. Please note vendor dispersing their entire grown flock. Front paddock ewes which would suit any breeder. Please view video to fully appreciate the quality of these ewes. Please call for further information.
