Assessor Comments	Due to a change of direction within the vendors business offered for sale are their vendor bred classed in ewe hoggets, in mouthing 3 we found 1 still with lambs teeth. These ewes presented well with a fresh and short skin and ample fat cover, ready for the rams of your choosing. The lead 85 of these ewes were in fact joined as lambs and raised lambs as lambs, which is a credit to the vendors management practices. BUYERS PLEASE NOTE: The vendor will offer 3 other lots in this sale and 1 lot of ewe lambs in the lamb sale.
