Vendor Comments	Annual sale of 1.5 year old ewes. I feel that this drop of ewes are showing incredibly consistency for type, & display all of the characteristics that Chrome sheep should!		
Joining Details	Not Station Mated		
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	110 Maternal Composite ewes, 1.5 years. The Grant family have been sourcing rams from the very top end of the Chrome catalogue for over 15 years. A strong emphasis is placed on moderate mature ewe weight, worm resistance, neutral fat & growth.. all while being extremely particular about using a very consistent 'type' of sire that has black points & a clean face. The perspective purchaser can bid with confidence knowing that they are sourcing 'Chrome' genetics from the absolute top shelf!! ** Ewes will be reserved at \$350**
