Assessor Comments	A offering from Sleigh Farming (Ruffy) May/June 2024 drop females. Genuine May/June drop and have had all the necessary husbandry applied to them. The Sleigh family have been on pure Toland bld for in excess of 30 years, selecting rams on wool type, Fertility and positive carcass/structure traits. Display good bloom and nourishment off the board. These Ewes have good scale and frame to increase body weight quickly in short term if given the opportunity. Would be ideal article to take into December or the new year and join to the ram of your choice. Their sisters last year wool results tested 18.2 mic and 69.3 yld. Opportunity to purchase quality dual purpose young ewes.
