Assessor Comments	Offering an exceptional line of 205 1st X Ewes. The McClure family have been breeding 1st X Ewes for over 20 years. These ewes perform in all environments with repeat buyers located in the north and south. There are 615 Ewes that will be sold as run out the gate in lots of 205hd. The family use quality Bauer BL rams with their medium/large frame WA ewes to offer breeding stock that grow into outstanding animals that will suit any breeding program. Usually, these breeding females would have been sold as ewe lambs but due to the unfavourable season, they were retained and are now being offered as a 1.5yo ewe. This years ewe lambs were sold in Edenhope Feature 1st X Sale averaging \$300-\$310/hd. Results speak for themselves. An opportunity not to be missed. Please note the vendor has 2 other lots in this sale.
