|                    | Steers flowed well through the yards and race with majority slightly stirring up in the crush. however once released back into the mob they settled quickly, with only one steer being a bit stand offish in the yards.                                                                                                                                                                                                                          |                         |                             |             |

| Assessor Comments  | A good quality line of well bred Speckle Park steers by Wattlegrove bred Sire and out of JAD bred cows. Steers display good length and bone, and present very well. These steers are ready to keep powering ahead for the potential buyer. Good quality steers to grow out onto feeder weights or heavy export bullocks. (PLEASE NOTE: The vendor has two other lots in this sale, This listing originally had 10 head and 1hd has been removed) |                         |                             |             |
