Assessor Comments	Buyers here presents a fantastic opportunity to buy a great run of steers. 125 Very good quality Weaned Angus Steers. These Steers are out of a renowned Angus Cow herd by top Quality Texas Blood Bulls, with large majority Texas Powerplay Blood. They have had a fantastic start on the Oats and have done exceptionally well showing great weight for age. These steers would be ideal to put back to grass to grow out to heavier feeder weights. These cattle are renowned for their high performance both on grass and grain. As mentioned in Breed description a small percentage of these steers showed a very small amount of either ear or pizzle. Please view photos and videos for full satisfaction. This small number are still suitable for most genuine Angus programs. Please contact me for any further information. A fantastic line of steers not to be missed. Please not Vendor also had 140 heifers in the same sale.
