	Steers handled well throughout yards however are consistent with cattle that are handled in large numbers. Some steers stirred up when on scales however quickly settled when returned to the mob.		
Handled With	Bikes , Dogs		
Assessor Comments	A nice line of Vendor Bred Angus Cross Steers Grass Fed and Antibiotic Free. These steers present in strong healthy store condition ideal backgrounders /feeder steers or carry through to heavy export weights. Good quality cattle that will perform on grass or grain. These cattle are bred in High Country from a Moderate to Large frame Angus and Angus cross cow herd with Good Quality Angus Sires used. Buyers Please Note: Vendor is delivering steers to Scone Saleyards for buyers convenience. Some steers noted at assessment to have a Ringworm marks on head and body as well as old pinkeye scarring or a slightly blued eye not considered detrimental.
