Handled With

Heifers handled very well.

Bikes , On foot , Vehicles

Notable Traits

Traits

4 Head Odd warts on neck

Assessor Comments	A nice line of well bred Angus heifers present. These heifers are an ideal article to enhance an existing breeding program or to simply grow out to feeder/trade weights. Heifers have not had any access to a bull which gives the successful purchaser the opportunity to join to the bull of their choice. Heifers are sired by Capree Angus sires. Yard weaned. Quiet to handle. Grass fed, Antibiotic free.
