Handled With	These heifers have been very well handled and are extremely quiet. Bikes , On foot			
Assessor Comments	An opportunity to secure a line of a very smart joinable Angus heifers. 11 of these heifers are by AI Sire GB Fireball 672 with the balance being Bannaby S168 and being bred out of very productive Millah Murrah & Bannaby blood cows. Heifers have done extremely well through spring and are on a rising plane. These young females will present in store to forward store condition and have been running on improved pastures. An ideal line of very quiet heifers to take home and put to the sire of your choice.
