Assessor Comments	Very quite, well bred, soft British breed cattle that are EU accredited. Ideal for Breeding and or Feed lotting. Highly recommend as Vendors only purchase top Bulls and Management of their Herd is first class. The cattle are quite and moved easily through the draft and scales. Top quality heifers to take home and join to the bull of your choice. At assessment heifers had a weight range of 320-425kg Quality EU heifers you can buy with confidence. Vendor has 1 lots of Hereford Heifers in this same sale, 35 Hereford Heifers..
