Assessor Comments	Great opportunity to secure a very good even line of well-bred, black steers. Despite no real help from the season during their life, these steers have done very well hitting their straps on short oats crop in the Winter and lucerne in the Spring. Eulomo Pastoral steers are proven performers in the paddock and in the feedlot. These steers feature the following: • By			

Injemira Angus sires • July/August '24 drop • Steers drafted and weighed into feeder weights • Very quiet and easy to handle • Up to date with animal husbandry • No eye issues sighted at assessment • Steers come highly recommended by previous purchasers and should be bought with confidence. Please note there are 75 Shorthorn steers from the same vendor also available in this sale.
