Assessor Comments	Great opportunity to secure a very good even line of well-bred Shorthorn and Shorthorn X steers. Despite no assistance from the season during their life, these steers have done very well hitting their straps on short oats crop in the Winter and lucerne in the Spring. Eulomo Pastoral steers are proven performers in the paddock and in the feedlot. These steers feature the following: • By Futurity Shorthorn, predominantly out of Royalla blood Shorthorn cows • July/August '24 drop • Weighed into feeder weights to suit a B Double • Very quiet and easy to handle • Up to date with animal husbandry • No eye issues sighted at assessment • Steers come highly recommended by previous purchasers and should be bought with confidence. Please note: 28 black steers from the same vendor are also available in this sale.
