Steers handled exceptionally well on assessment & were a pleasure to handle.

Handled With: Bikes , Vehicles

Assessor Comments: Offering a small but very good quality line of what i would describe as baby bullocks. Bred in the heart of the Kiewa Valley these steers have not had a bad day in their life & being only 14-15mths old are showing great weight for age. Boasting top genetics from Rennylea & Table Top Angus these steers will no doubt keep going forward & target any grass or grain market. Very quiet to handle & come with the my highest recommendation.
