	Heifers ran through yards well, a few heifers had a little bit of run in them and a couple were a little jumpy when being handled in the crush		
Handled With	Bikes , Vehicles		
Notable Traits	Traits 3 Head White on udder		
Assessor Comments	A very well bred line of Team TeMania bred heifers, that have been classed out of the vendors retained heifers, noted doing cattle that are exceptionally well bred. Noted three heifers with a small patch of white on their udders. Heifers showed a little bit of flight in the yards which could be typical of cattle ran in large mobs but not aggressive by any means.
