Assessor Comments	Watervalley Mt Scott will offer lines of 110 Heifers been a run out the gate from a assessed group of 440 heifers, showing good bone, frame and stretch. They are a run of handy Angus heifers showing improvement daily now on a green pick . These heifers have come through dry seasons fed on hay. Ideal to background/turn out to a paddock or feed lot to heavy weights. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. Vendor has other lines in this sale to help make up truck loads. Even though the cattle are in forward store condition they are fit to travel long distances. The Watervalley breeding cows are well known for their fertility and been exceptional mothers. Highly recommend these cattle.
