Assessor Comments	Here are a line of lightweight Angus and Angus Cross heifers presenting in store condition. They are by Wallangra Angus bulls out of Angus and Droughtmaster cross cows. They have been bred and raised on forest country. Heifers are regularly handled and are in a rotational grazing program. Heifers are used to one wire electric fence setups. Heifers worked well throughout yards and were a pleasure to handle. If you are looking for some lightweight Angus and Angus cross heifers look no further than here. Please note this vendor also has another 2 lots of steers in this weeks Weaner and Yearling Sale
