Assessor Comments	Here are a nice line of lightweight Angus and Angus Cross steers presenting in store condition. They are by Wallangra Angus bulls out of Angus and Droughtmaster cross cows. They have been bred and raised on forest country. Steers are regularly handled and are in a rotational grazing program. Steers are used to one wire electric fence setups. Steers worked well throughout yards and were a pleasure to handle. If you are looking for good lightweight steers look no further than here. Please note this vendor also has another lot of steers and 1 lot of heifers in this weeks Weaner and Yearling Sale
