Assessor Comments	Here are a nice line of Angus and Angus Cross steers presenting in good store condition. They are by Wallangra Angus bulls out of Angus and Droughtmaster cross cows. These steers are showing plenty of frame. They have been bred and raised on forest country. Steers are regularly handled and are in a rotational grazing program. Steers are used to one wire electric fence setups. Steers worked well throughout yards and were a pleasure to handle. Please note this vendor also has another lot of steers and 1 lot of heifers in this weeks Weaner and Yearling Sale
