21 well bred & quite Angus Steers with all the hard work done. These steers are by registered bulls, bred on lighter country and brought to Clifton in May at weaning. Backgrounded on Oats/Barley crop with a light grain supplement for the last 6 weeks

Assessor Comments

A line of predominately Angus steers presenting in fresh condition. Steers are all by Banquet & Carabar Angus Bulls and

have been running on the tail end of an oats crop with a grain supplement. These steers are really starting to clean up in the coat and go ahead. Steers would be ideal for a feeder job or to take on to heavier weights.
