Assessor Comments	Buyers a good opportunity to secure a line of well bred Angus Heifers that are all vendorbred, grain and antibiotic free. These Heifers would suit to a future breeding program or a backgrounding operation. These Heifers are very well bred being based on Raff Angus genetics 10yrs + and TeMania the last 7yrs. Heifers present in store condition due to not being on a Winter crop with the opportunity for compensatory gains to be had given good nutritional feed. Heifers have been pretested for your confidence to suit all markets.
